SKILLS

- **Programming**: HTML, CSS, PHP, Python, MySQL, SQL, C#, Java, Javascript, .NET (Visual Studio Code, Visual Studio, Apache Netbeans, Google Collab, XAMPP, GitHub)
- **Networking**: TCP/IP, OSI Layer, DNS, DHCP, VLAN, Crimping LAN, Cisco Basic Config, AP Basic Configuration, Wireless LAN installation, Linux (VirtualBox, Winbox, Dude, Putty, Cisco Packet Tracer)
- **Office Tools:** (Excel, Word, Power Point, Visio, Draw.io, TeamViewer, AnyDesk)
- **Soft Skill:** Teamwork, Adaptability, Global Mindset, Problem Solving, Analytical Thinking

COURSE AND CERTIFICATIONS

- **Creating Business Intelligence** by Lepkom Gunadarma
- **Basic Data Visualization** by Dicoding Indonesia
- **Intermediate VB.Net** by LepKom Gunadarma
- **Intermediate C#** by LepKom Gunadarma
- **NSE 1 Network Security Associate** by Fortinet
- **NSE 2 Network Security Associate** by Fortinet
- **NSE 3 Network Security Associate** by Fortinet

- **JavaScript Programming Basic** by Dicoding Indonesia
- **Wireless LAN Installation** by Lepkom Gunadarma
- **TOEFL ITP** by Brighten English Pare Kediri
- **Basic Linux** by ID-Networkers
- **Fundamental Web Programming** by LePKom Gunadarma
- **Fundamental Desktop Programming** by LePKom Gunadarma
- **Fundamental Networks** by ID-Networkers
- **Basic Cisco** by ID-Networkers
